

Teen Academy Program

It is the mission of the Carmel Police

Department Teen Academy to provide

teens with a challenging learning

environment that will develop and

enhance good decision-making and

leadership skills.

Challenge a teen!

June 7-11, 2010

About our program

The Academy simulates actual law enforcement training in a para-military structure. Teens will learn about different laws and rules that officers deal with on a regular basis.

Teens are put through some classroom instruction, physical fitness training and role-play scenarios in order to experience challenging situations.

It is not a requirement that the teens want to pursue a career in law enforcement. This program is dedicated to building character, self-discipline and team-building.

Attendance everyday is mandatory in order to graduate.

Training Sessions

Days include classes in K-9, traffic stops, building searches, Internet use, drug abuse awareness, SWAT, Defensive Tactics, some simulated firearms operations, OWI awareness and physical fitness training.

Requirements

Teens must be aged 12 through 18 to apply. Those students entering 7th grade in the fall, and have not reached age 12 can be considered. Parental permission is required. **Applications are available upon request.**

Since there is daily physical exercise, teens are required to wear comfortable athletic shoes. A Teen Academy t-shirt and shorts will be distributed the first day of the program and teens must wear them each day.

Teens are required to keep their hair off their collar.

Teens should bring a sack lunch Monday-Thursday. Graduation meal is catered on Friday night!

Drill Instructors teach self-discipline and team-building

Sponsors

Carmel Police Department has partnered with Carmel-Clay schools to bring this program to the Clay Middle School campus. Classes begin promptly at 1:00 PM and end at 8:00 PM.

Completion of the program culminates in a graduation ceremony that Friday night, with a delicious meal provided by Abuelo's Mexican Embassy, another program partner!
